Case Study for:
The Old Post Office, South Weald, Essex – Heritage Statement

The Old Post Office is located on a busy junction in the village of South Weald. The current owner wished to enlarge the property slightly and alter the 'extension' to make it more fitting to the original building.

Janice Gooch Heritage Consultancy was employed on behalf of the architects to provide a heritage statement. The building is located within a Conservation Area, is Grade II listed and within the setting of two listed buildings - the adjoining listed public house and the church opposite.
